VEHICLE DAY - READING PUBLIC LIBRARY

August 22, 2013

Chief James Cormier
Reading Police Department
15 Union Street
Reading, MA 01867

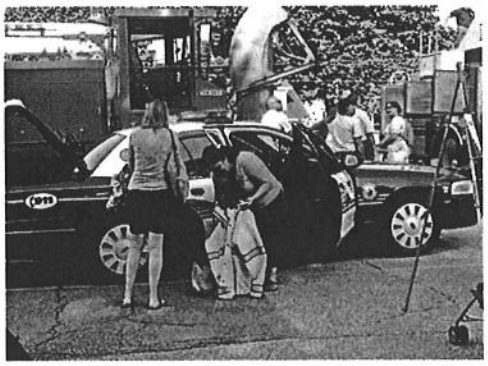
Dear Jim,

Our 15th annual Vehicle Day was a tremendous success thanks to your participation. We put 610 stickers on the hands of the young and old as they came to visit the vehicles. Your generosity has made this annual event a tradition in many Reading households. It is obvious that the adults love it as much as the kids!

Here is one snapshot of your vehicle. If you would like digital copies of the photos we took to use for your own purposes, please email us at rdgchild@noblenet.org and we will gladly send you some digital images by return email.

Since the temporary location for the Library is still unknown, we have our fingers crossed that we will be able to have Vehicle Day in 2014. Next summer our lot will be a construction zone, as the current building is renovated and a small addition added. We will be in touch whenever we find a time and place for the next Vehicle Day. Thanks so much for coming to the 15th.

David was great with the crowd! Thanks for sending him over.



Sincerely,

Rachel
