

Main Street Improvement Project Update

Week of April 6, 2009

All businesses are OPEN. Please shop and dine in downtown Reading.

Electrical conduit will be installed from the Town Hall island across Lowell Street to the cemetery.

The contractor will complete installing the new traffic signals by the end of the week.

Curbing and sidewalk is going to be installed on Harnden, Main and Lowell Streets around the Common. This should take 6 to 8 weeks.

Starting Monday, the granite Historical Commission plaques will be installed in the sidewalks.

Stop lines and temporary cross-walks will be painted downtown this week.

Within the next few weeks, the landscapers will begin planting everything that can be planted at this time in the islands such as trees, shrubs and plantings as well as street trees.
