Ongoing Business:

Most of our time needs to be spent on our upcoming Earth Day event; however, we need to touch on a few issues prior to our main event.

A. **Recycle Bin**: We have received tacit approval with reservations from the DRT. Our next hurdle is the CPDC meeting on Monday, April 6th. I have not received the exact time at this writing. Anyone who could join me would be appreciated. Also, any suggestions on the presentation – should we use a few PowerPoint images? Is there anything that I should keep in mind? One idea would be to invite a few of the retailers to join us at the meeting.

B. **Update on community solar**: I believe that the next sub-committee meeting is on Monday, April 6th which is the same date as our CPDC meeting. Perhaps the times might allow some of us to attend both meetings.

C. **Update on energy conservation and efficiency program for our senior citizens**

D **Earth Day**: Laurie Ann will give us an update on our presenters and what we still need to accomplished prior to Saturday, April 25th from 10 a.m. to 2 p.m. We can review our food commitments, our set-up times, and break-down times.

F. Other issues:

Thank you, Ron
