#### Ongoing Business:

A. Update on recycle bin: We have a scheduled meeting for the DRT (?) on Thursday, March 26<sup>th</sup> at 3 p.m. at the town hall. I plan to attend and would like to have one or more of our committee join me. We submitted our request for the upcoming CPDC meeting thanks to Gina and Laurie Ann's work. I am also hoping that Tom Flanagan at JRM Hauling also join us.

B. Update on Community Solar: Sub-committee report to committee.

C. EARTH DAY UPDATE: Laurie Ann will give us the list of presenters who have committed to join us and those we still need to solicit. Our main thrust at this point is "getting the word out" to the community. We have a responsibility to our presenters to make their time productive. Have we hit the schools and their pipeline? Our previous Earth Day presenters from last year? Any other electronic lists we can get on? We will be on the St. Agnes and St. Athanasius bulletins which will help. Publicity is always our greatest challenge. Let's crack this nut!

D. Other issues?

Thank you, Ron
