Notice of Public Hearing

Notice is hereby given that the Department of Public Works of the Town of Reading will hold a public hearing in the Lower Level Conference Room, Reading Town Hall, 16 Lowell Street, Reading, MA at 6:30 P.M. on Wednesday, August 20, 2014. This hearing is being held in response to the petitions of National Grid who seeks permission to locate pipes, valves, governors, manholes and other structures, including the necessary sustaining and protective fixtures and appurtenances for the transmission and distribution of gas for general and commercial purposes in and under the following public way or ways:

Wakefield Street: Install approximately 280' of 2" plastic gas main from Kylie Drive westerly to #172 Wakefield Street.

Grey Coach Lane: Install approximately 295' of 6" plastic gas main from Rustic lane to #19 Grey Coach Lane

Fremont Street: Install approximately 60' of 4" plastic gas main from westerly #12 Fremont Street on to service #18 Fremont Street

Evergreen Road: Install approximately 85' of 6" plastic gas main westerly from #14 Evergreen Road on to service #18 Evergreen Road

Wherefore, National Grid asks that after due notice and hearing as provided by law, it be granted permission for this petition. Said main to be installed substantially in accordance with the National Grid plans filed in the office of the Town Engineer in the lower level of the Town Hall.
