Notice of Public Hearing

Notice is hereby given that the Department of Public Works of the Town of Reading will hold a public hearing in the Lower Level Conference Room, Reading Town Hall, 16 Lowell Street, Reading, MA at **6:30 P.M. on September 10, 2014**. This hearing is being held in response to the petition of **National Grid** who seeks permission to locate pipes, valves, governors, manholes and other structures, including the necessary sustaining and protective fixtures and appurtenances for the transmission and distribution of gas for general and commercial purposes in and under the following public way or ways:

West Street: Extend existing 6" gas main from the Wilmington Town Line 1950ft on West St to the existing 6" gas main at 457 West St @ the intersection of Johnson Woods & West St. Trench will be 1950' X 2' on West St.

Wherefore, **National Grid** asks that after due notice and hearing as provided by law, it be granted permission for this petition. Said main to be installed substantially in accordance with the National Grid plans filed in the office of the Town Engineer in the lower level of the Town Hall.
