### CLARIFICATIONS

Voices of Hope (VOH) is a registered, not-for-profit, 501(c)(3) organization with over 100 members who share a passion for the performing arts and a desire to join the fight against cancer by raising awareness and funds for cancer research. With music as their voice, these inspirational performers, whose lives have all been affected in some way by cancer, share stories of hope, loss, and courage through, song, dance, and testimonials, allowing for an intimate and inspiring look at our collective fight against cancer.

Where the money goes:

To date, VOH has donated over \$250,000 in support of cancer research

Specifically, in 2013, Voices of Hope began supporting the new Henri and Belinda Termeer Center for Targeted Therapies at the Massachusetts General Hospital Cancer Center.

You can visit the Voices of Hope website at [voicesofhopeboston.org](http://voicesofhopeboston.org) to read more about the amazing work the Termeer center is doing to advance cancer research for a cure. And of course, Visit the website to learn more about how VOH spreads inspiration and support to all who have suffered from and have survived all types of cancers.

I know that Patti Beckman will be assisting in getting the tennis event off the ground as she is a member of VOH, and I would be honored to work with Kate and Lorraine if they have any suggestions/brainstorming ideas to make the event a success. Please let me know as soon as it is possible if Saturday, May 16th (9-5) is available, and most importantly if we will be allowed to host this event at the high school courts!

This Agenda has been prepared in advance and represents a listing of topics that the chair reasonably anticipates will be discussed at the meeting. However the agenda does not necessarily include all matters which may be taken up at this meeting.
