## MWRA Invites Reading Residents to Public Meeting for Northern Extra High Section 110 Project

Work is set to begin on MWRA's Northern Intermediate High Section 110 Project (MWRA Contract 7471). MWRA and contractor Albanese D & S Construction will begin work in Reading to install a new 36-inch water pipe on Monday March 28, 2016. Construction updates will be posted on **MWRA's Northern Extra High Section 110 Contract 7471 Project Page**.

**MWRA would like to invite residents to a public meeting to discuss the project and introduce the contractor. The meeting will be held on Thursday April 14, 6:30pm at the Joshua Eaton School Cafetorium, 365 Summer Avenue, Reading, MA.**

To receive electronic construction updates please **register your email address** with MWRA's notifications service, provided through Everbridge.

Construction activity will begin on Hopkins Street in the area of Hopkins and Main Street (Rt. 28), Reading, MA. The contractor anticipates installing approximately 20-30 feet per day. At the end of each week the excavated trench area will be temporarily paved. Residents will be updated periodically as the construction progresses. We apologize for any inconvenience this may cause residents.

If you have any questions kindly email **Jeff McLaughlin** or call (617) 305-5762.
