Section 3.3 - Issuance of Peddler's Licenses

Chapter 101, Sections 12a through 33 of the Laws of the Commonwealth, provide for regulations of peddlers. Part of the State law allows the Board of Selectmen to establish local rules and regulations for the granting of such licenses.

The following rules and regulations are hereby adopted to guide the Board of Selectmen in reviewing and ruling upon applications for Peddler's Licenses:

Each application will be dealt with on a case by case basis. The following guidelines are not intended to be a full list of issues to be dealt with by the Board but are merely guidelines to the applicant.

1. Approval will be granted within a commercial or industrial zoning district only.
2. No peddlers will be permitted to operate within the public right of way including a roadway or sidewalk area.
3. Written approval of the property owner and any tenants on the property will be required prior to the Board hearing an application for a license. This will need to be renewed annually.
4. If the proposed use, in the opinion of the Board of Selectmen, will generate traffic other than traffic that is routine to the premises, then designated parking spaces will be required that will not be detrimental to the principle use on the premises.
5. The Board will require evidence that the peddler's use will have minimal effect on the neighborhood adjacent to the site.
6. The peddler's use will not take away existing parking spaces from those required on the site.
7. The peddler's use may have no negative impact on retail or commercial activities within the Town of Reading.
8. Peddler's uses will only be permitted where there is another principal use on the site and the peddler's use is related to the principal use of the property. No peddler's uses will be permitted on vacant or unused land.
9. The applicant must show that adequate controls are in place and insure public safety and cleanliness, and a condition of approval of any peddler's license will be that all of the required licenses will be received.
10. Prior to the issuance of a Peddler's License, the Board may require a review by the Health Division and the Building/Zoning Inspection Division and proof that all necessary approvals, permits, and other licenses needed to operate have been issued.
