## July 31, 2014

### The Washington Park Improvements Project Has Begun!

The construction on the Washington Park Improvements Project has begun! There are many people looking forward to the great improvements that will be made to the park to make it more user-friendly with amenities for all ages. There will be new tennis courts, a basketball court, a water fountain, and a stamped concrete walkway!

The Town of Reading, through its contractor Heimlich Construction, began the project on Wednesday July 23 and the work is expected to last 3 - 4 months. The work will be done Monday through Friday from 7:00 AM to 5:00 PM. Please be advised that the contractor will be using the Sweetser Avenue entrance as a construction entrance during the project.

Please call the Engineering Division at 781.942.9082 if you have any questions or concerns during the duration of the project.

**Questions:** If you have any questions about all the activity going on around town... just ask and we will find you the answer!
