BOARD OF HEALTH REQUIREMENTS FOR DEMOLITION PERMIT

The following information is required to enable the Reading Health Division to sign off on Demolition permits:

Pest control assessment report: confirmation from a **licensed pest control operator** showing that an assessment, and treatment if necessary, has been completed.

An asbestos assessment plan from a **licensed** Asbestos Inspector. If asbestos found provide a removal plan, from a **licensed** Asbestos removal contractor and a copy of the **DEP ANF001 form**

Survey of Septic tanks and cesspools if present , must also file for an abandonment permit

A dust remediation plan identifying how dust is to be controlled during the demolition process to prevent migration across the property line

A survey of wells (irrigation and potable)

A temporary dumpster permit – if demolished materials are to be stored onsite overnight or longer

Please feel free to contact the Reading Health Division should you require assistance or have questions at 781-942-9061

Ruth Clay, MPH
Health Director
