NEW WATER/SEWER RATES
EFFECTIVE FOR USAGE AUGUST 6, 2014
WATER \$ 9.45
SEWER \$10.56

SeeClickFix - Report Pot Holes, Street Light, Trash Issues and More!

Commonwealth Connect - Reading

The Town of Reading has received a two year innovation grant from the City of Boston to partner with SeeClickFix to bring you Commonwealth Connect - an application that empowers you to see a problem, report it, and be notified when the issue is closed!

Residents report non-emergency, quality of life problems, such as potholes and street repairs, directly to those responsible for resolving the issue.

How it works

1. Residents can send notifications via an App on their iPhone or Android device. Enter the address or use the map marker to navigate to the area where the issue you want to report is located on the map. (Use the controls in the upper left corner to move the map around the window or zoom in and out.)
2. Once you have mapped the location of your issue, click next to start step 2.
3. Enter a summary of your issue, such as "Pothole" or "Street Repair". Once you've entered a summary, you can then fill out a more detailed description of the issue and even attach a photograph. After this is complete, enter a display name as well as a valid email address. After you've completed all the fields, press submit to create a public report of your issue!
4. You can click the mobile app link at <http://www.seeclickfix.com/apps> to add Commonwealth Connect to your iPhone or Android devices!

*Funded by the
Community Innovation Challenge Grant Program.*
