\$12 per \$1,000 total value of construction. The minimum sign permit fee is \$110. Temporary signs are \$30. Checks made payable to the Town of Reading.

***All signs will comply with Section 6.2 of the Reading Zoning By-Laws and any State Building Code requirements.**

****Internally illuminated signs must have an opaque sign board background. If the illumination shines through more than the letters & graphic you will be asked to replace the sign.**

All signs in the Business-B Zoning District (downtown and the commercial area on Salem Street) require approval from the Community Planning & Development Commission (CPDC) prior to submitting this application to the Building Inspector.

WHAT TO SUBMIT TO THE CPDC (through the Town Planner):

Seven (7) copies of the following material and an electronic copy (jpeg, PDF, or word doc) on a CD or emailed to the Staff Planner or Town Planner.

- This completed application form.
- Colored elevations, drawing or rendering of the proposed sign showing all the dimensions of the sign including the size of letters, length and width, sign area, length of storefront façade, height from ground etc.
- Mounting & foundation details.
- Photographs of the building and adjacent buildings.
- Any sign lighting should be included in this review. Specification sheets should be submitted if external light fixtures are proposed.
- Short narrative about the proposed sign and how it enhances or is consistent with the building's façade.

The CPDC meets twice a month generally on the second and fourth Monday but meetings are subject to change. To be placed on a CPDC meeting agenda material is due one (1) week prior to the meeting date. Please visit the CPDC web-page on the Town's website for the meeting schedule.

After the CPDC approves the sign application it will be submitted to the Building Inspector for review and approval. Please do not install any signs until the Building Inspector has issued the sign permit.
