

Street Signs

The Department of Public Works is required to replace all black and white street signs with the new reflective maroon and white street signs that meet the new Federal Regulations. They have been installing the new street signs for almost six years. In the past, the Town has offered the replaced signs through a “Street Sign Lottery”.

As we enter the final phase of the program, the Town of Reading will be offering remaining signs for sale on a first come first serve basis while supplies last (signs cannot be reserved or held). Signs will be offered at the reduced amount of \$10.00 per sign. You do not need to be a resident of the street to purchase the sign. Below is a list of signs that we currently have available. This list will be updated as signs sell, and new signs will be added as they become available.

Interested parties may come to the DPW Office at the Town Hall - Monday, Wednesday & Thursday, 7:30 A.M. to 5:30 P.M. and Tuesday 7:30 A.M. to 7:00 P.M. to purchase any of the remaining signs. Questions? Please call 781-942-9077.

All signs are offered in “as-is” condition and shall not be displayed within 20 feet of a public way. The following street signs are currently available:
