Town of Reading

Taking Root for the Future

The Town of Reading is proud to announce its *Taking Root for the Future* shade-tree planting program. The tree-planting program offers an opportunity for you to help beautify Reading and recognize a person or event with the planting of a shade tree. Any person, business, or group may sponsor a tree and be recognized on the town's commemorative plaque located in the Town Hall and on the Town of Reading's website. Celebrate a birth, a graduation or wedding, or donate in memory of a loved one. Scout Troops, organizations or businesses can sponsor a tree, too. In addition to the advantage of sponsorship, our community will enjoy the benefit of the trees for generations to come.

Your sponsorship contribution of $300 will pay for the tree and its planting as well as a plate on the commemorative plaque displayed in Town Hall. The trees planted in the public way will be the town's responsibility for ongoing maintenance. Please note that the planting location for an individual tree cannot be specified. Acknowledgment of sponsorship will be through the town plaque and website.

Reading's publicly owned trees are a capital asset and are as important as our streets, sidewalks, public buildings and recreational facilities. Reading's roadway trees, as well as all public area and forest trees, continually profit the town by working to improve our environment and quality of life.

Trees bring numerous benefits to our community because trees:

Improve Air Quality
Reduce Green House Gases
Lower Summer Temperatures
Lessen Topsoil Erosion
Diminish Noise Levels
Increase Property Values
Improve Aesthetics
Increase Psychological Well Being
Provide Wildlife Habitat

Join Reading's *Taking Root for the Future* campaign by sponsoring the planting of a shade tree. Your sponsorship will be a gift that will last for generations to come. Our community trees add a beautiful canopy of lush greens in the summer and vibrant colors in the fall, all the while vigilantly protecting our sustainability.

Sponsor a tree by filling out the brochure's last page and mail or drop off at the:
