FIRST OF THREE COMMUNITY LISTENING MEETINGS
SLATED FOR JUNE 1

(READING, MA) The Town of Reading will be hosting the first of three community listening meetings on June 1, 2016 at 7PM at the Coolidge Middle School, 89 Birch Meadow Drive. At the meeting Town Manager Bob LeLacheur will discuss the financial challenges facing the town and town officials with take input from the public and answer questions.

Over the Fiscal Year 2017 (FY17) budget development season, LeLacheur met with the Board of Selectmen and the Finance Committee to discuss the constraints facing the town in FY18. Now that Town Meeting has approved the FY17 budget, the Town Manager is taking a proactive approach to invite the community into discussions about the increasing pressures on present resources.

Subsequent meetings will take place on June 7 at 1PM at the Pleasant Street Center, 49 Pleasant Street, and on June 16 at 7PM at the Parker Middle School, 45 Temple Street. Town officials strongly encourage the public to attend one of these meeting and to share their opinions and ideas.
