Please join the Town of Reading to learn about the update
to the Hazard Mitigation Plan

June 17, 2015

7:00PM

**Community Room, Reading Police Station
15 Union Street, Reading MA 01867**

The Town of Reading is in the process of updating the 2010 Hazard Mitigation Plan. The public forum will encourage community residents and stakeholders to learn about current natural hazards that face Reading and help identify goals to reduce risk and vulnerability. Topics to be covered include an introduction to natural hazard mitigation planning, identification of hazards that affect Reading, a review of the 2010 Hazard Mitigation Plan goals, and open discussion to hear about potential goals and actions for the future.

Please contact Community Development Director Jessie Wilson at jwilson@ci.reading.ma.us or 781-942-6648 for more information. You may access the current Hazard Mitigation Plan on our website at:

Questions: If you have any questions about all the activity going on around town ...just ask and we will find you the answer!
