Hi Bob,

Please create a LEGAL NOTICE TOWN OF READING for a public hearing at the next available Board of Selectmen meeting. The following are the items discussed at Tuesday's Board of Selectmen's meeting on April 19, 2016.

- Restrict Parking on Bancroft Avenue on the westerly side from Hartshorn Street to the north end of Bancroft Avenue to "Reading Resident Community Access Permit Sticker from the hours of 2:00 p.m. to 10:00 p.m. from April 1st through August 31st".
- Restrict Parking on Hartshorn Street on the northerly side from Bancroft Street to Hanscom Avenue to "Reading Resident Community Access Permit Sticker from the hours of 2:00 p.m. to 10:00 p.m. from April 1st through August 31st".
- Restrict Parking on Hanscom Avenue on both the easterly and westerly sides from Hartshorn Street south to the southerly property line of the 87 and 88 Hanscom Avenue to "Reading Resident Community Access Permit Sticker from the hours of 2:00 p.m. to 10:00 p.m. from April 1st through August 31st".
- Add a stop sign at northwest corner of Bancroft Avenue at the intersection of Bancroft Avenue and Hartshorn Street.

ThThanks for your support,

DaDave

Thanks Bob,

I have added to your map additional areas of existing NO PARKING, attached. I have also added to my proposed amendment; I have added the area west of Hartshorn Street on Hanscom Ave's east and west sides up

to the crest of the hill where there is a blind spot where traffic meets; this at the suggestion of my neighbors who live on Hanscom Ave.

The general tone from the neighbors that I have spoken with is for extending the restricted permit time from 8:00 pm to 10:00 pm when the lights are extinguished.

One this is for certain, we need support from Reading PD, a little enforcement would go a long way toward improving our current situation. I assume you will have a representative from our Police Department available at Tuesdays meeting.

The other issue that neighbors along Bancroft will be vocal about is that players disrespect as they change from street/work clothing to sporting clothing outside of their cars.

All of this said, the complications of adding lights to the Birch Meadow ball fields will foster additional aggravation, to say nothing about the impact of additional traffic, noise and light pollution, and extended field use will have on my neighbors, my family, and our property values. Someone wins and someone loses, we were hoping for a principled conclusion, but feel our voices have not been heard.

Hope this is helpful. Thanks,
Dave

Hi David – first, please see the map below. Shown in red, there is already no parking allowed in that section, if I understood your proposal?

Thanks,

Bob

Subject: Notice of Hearing - Bancroft Ave Parking

Hi Bob,

5211

Can you provide me with a copy of Article 5.2.2 and Article 12, as referenced in the Legal Notice?

Can you help me understand the 8:00 pm limit? Currently the Birch Meadow Recreation Facility tennis courts and ball fields lights are off at 10:00 pm, is the BOS intending turn these lights off at 8:00 pm?

My intention is to offer an amendment to include restricted parking along the west side of Hartshorn Street between Bancroft Ave and Hanscom Ave.
