

Community
FINANCIAL FORUM

Thursday, September 1 ~ 7:00 PM

RMHS Performing Arts Center

Last spring, School and Town leadership conducted a series of Community Listening Meetings, where residents and businesses gathered to hear an update on the town's financial condition, and voice their opinions about what levels of service they desire.

This past summer, elected Boards and senior management worked together to come up with solutions to the shortfall in financial resources available to provide desired service levels. In mid-August the Board of Selectmen called for a Special Town Meeting on September 12 to discuss Senior Tax Relief and the financial condition of the town; and a Special Election on October 18 to ask the voters for a \$7.5 million Override of Proposition 2-1/2. This would be the first such Override request in about 13 years.

On September 1 the community is invited back to a Financial Forum at 7:00 pm in the RMHS Performing Arts Center. At this meeting you will hear presentations from the School and Town leadership on the proposed solutions to maintain existing service levels that you requested, to restore a modest amount of previous budget reductions, and why this Override should reasonably be expected to last at least until 2025.

Please plan on attending this important Community Financial Forum and participate in your local government.

If you would like to attend but need transportation, please contact Jane at (781) 942-6658
