

Updated 3-8-2016

Subject to funding and unexpected delays beyond the control of the Town of Reading, the following streets are scheduled to be resurfaced in the Spring / early Summer (2016):

1. Beech Street (Green St to Lakeview Ave)
2. Birch Meadow Drive (Main St to John Carver Rd)
3. Curtis Street (South St to George St)
4. Forest Glen Road (Main St to Pearl St)
5. Green Street (John St to Eaton St)
6. Intervale Terrace (Lowell St to John Carver Rd)
7. Kingston Street (Middlesex Ave to Mt Vernon St)
8. Larch Lane (Franklin St to end)
9. Linden Street (Woburn St to Lowell St)
10. Minot Street (Main St to Washington St)
11. Mt Vernon Street (Linden St to High St)

Residents will receive additional notification prior to the work commencing on their street. Please refer back to the Engineering Division's webpage for anticipated construction schedules as the work on your street approaches. Residents can also contact the Engineering Division at 781-942-9082 with any questions or concerns.
