## SUPPORT SERVICES

We are dedicated to helping our Reading residents live actively and engage in the community. We provide education, support and services for residents of all ages.

**Reading Response:** offers Medical transportation, Lifeline Medical Alert and Adult Day Health

\*Reading Response income guidelines:

1 person=\$55,000;

2 person=\$62,850.

For every \$5,000 over the income guidelines there is a \$5.00 copay.

Clients on standard Mass Health are **not eligible**.

To schedule an appointment for any of the above services please contact:

**Kerry Valle, Sr. Case Manager**

(781) 942-6659

For Health support or to request a blood pressure check, please contact:  
**Alyse Warren, RN BSN at 781-942-6693**

## FILE OF LIFE

In an emergency when First Responders arrive on scene they are looking for important information about the person in need. A **File of Life** allows our First Responders to immediately begin the best possible treatment, notify loved ones, and pass this vital information to awaiting physicians in the emergency room.

If you would like a **File of Life** or have questions about the program, please contact

**Kerry Valle at (781) 942-6659 or**

**Alyse Warren at (781) 942-6693.**

**Alyse Warren, RN BSN 781-942-6693**

## HEART HEALTH MONTH

Nearly 50% of U.S adults have high blood pressure (HTN) & only about 25% of them have it under control. Controlling HTN can reduce many health risks such as heart disease & stroke. Making healthy choices about what we eat and how we move are some ways that we can increase our heart health! One such way is moving your body 30 minutes a day 5 days a week. We offer plenty of options here at the center to help get your heart moving.

Watching your sodium intake and following the DASH diet (**Dietary Approaches to Stop Hypertension**) has been shown to help lower blood pressure and LDL (bad) cholesterol. The DASH eating plan follows heart healthy guidelines to limit saturated fat and trans fat. It focuses on eating more foods rich in nutrients that can help lower blood pressure such as vegetables, fruits, whole grains, low fat dairy, fish, poultry, beans nuts and vegetable oils. Talk to your doctor before making dietary changes

## MEDICARE PART D COVERAGE CHANGES

As of January 2023, Medicare Part D now covers Shingles and Tdap vaccines.

Changes were also made regarding capping insulin cost at \$35. Plans have until the end of March 2023 to update their systems to reflect the \$35 cap so you may be charged at the higher amount until that happens. If so, your plan must reimburse you within 30 calendar days for any amount you paid over the \$35.

Contact your individual Part D plans if you need to be reimbursed.
